

## **White Earth RBC and Natural Resources suspend Harvest and Seasonal Resource Use Permits until further notice**

**WHITE EARTH, MINN.** - The White Earth Reservation Business Committee (RBC) and White Earth Reservation Natural Resources have made the decision that until further notice Natural Resources Harvest Permits are not required for members to participate in harvest activities and seasonal resource use permits are suspended and will not be issued.

The RBC approved [resolution 057-20-011](#) suspending Natural Resources Harvest Permits until further notice. Natural Resource Harvest Permits are not required to participate in harvest activities within the exterior boundaries of the White Earth Reservation, but members must have their tribal identification on their person and otherwise comply with the Conservation Code.

The RBC approved [resolution 057-20-013](#) suspending Seasonal Resource Use Permits until further notice. Seasonal resource use permits are issued to individuals enrolled in other federally recognized tribes to participate in harvest activities within the exterior boundaries of the White Earth Reservation. These temporary measures were taken to safeguard the health and safety of staff and members due to COVID-19.
