White Earth DMV modifying procedures for reservation DNR Permits

WHITE EARTH, MINN. – As the White Earth Department of Motor Vehicle mitigates safety measures due to COVID-19, we will be modifying procedures for reservation DNR Permits.

Below are the adjusted measures for each upcoming seasonal license:

- **Ricing:** individuals are exempt from the ricing permit per a resolution passed by the Reservation Business Committee.
- **Deer hunting:** all elders, veterans (qualify for fee waiver) and disabled individuals will be mailed a deer tag and harvest permit based upon the 2019 permits issued. Individuals that are required to pay a fee for the permit and tag can call 218-983-3285 ext. 5704 or 5705 to make arrangements for mailing.
- **Seasonal Use Resource Permits** are suspended at this time.

To lessen possible virus exposure or transmission, please call our office with any questions so we may accommodate you and protect your safety, along with our employees' safety.

As always, the mission of the White Earth Department of Motor Vehicle is to proudly and professionally provide enrolled members service for motor vehicle registration, identification and DNR regulated permits. Our vision is to promote and enhance regulated services, to provide for motor vehicle safety and to help regulate our natural resources.
